## Unveiling the Socinfo 2024 Conference Tracks

To ensure a comprehensive exploration of the multifaceted discipline of information science and technology, Socinfo 2024 is organized into various tracks that cover a wide range of topics. Here's a sneak peek into the captivating themes that will be addressed during the conference:

- **Information Systems and Technology:** Delve into the latest advancements in information systems, data management, and artificial intelligence.
- **Information Retrieval and Data Analysis:** Explore cutting-edge techniques for information retrieval, data mining, and natural language processing.
- **Social Media and Online Communities:** Examine the impact of social media, online communities, and emerging technologies on communication, collaboration, and information dissemination.
- **Information Security and Privacy:** Engage in discussions on cybersecurity, privacy, and ethical challenges in the digital age.
- **Information Management and Knowledge Management:** Discuss best practices for information management, knowledge organization, and information resource management.
- **Information Education and Training:** Explore innovative approaches to information literacy, education, and training.

## Keynote Speakers: Illuminating Perspectives from Industry Leaders

Socinfo 2024 is honored to host an esteemed lineup of keynote speakers who will share their visionary insights on the future of information science and technology:

- **Professor Vladimir V. Gusev**, Vice-Rector of Saint Petersburg State University, Russia
- **Dr. Natalia Gryaznova**, Director of the Russian Academy of Sciences, Institute for Applied Astronomy, Russia
- **Dr. G. Anthony Gorry**, Professor of Medicine, Harvard Medical School, USA

### **Call for Papers: Showcase Your Research Excellence**

Socinfo 2024 invites researchers and practitioners to submit their original research papers for presentation at the conference. Submitted papers will be reviewed by an international panel of experts, and accepted papers will be published in the conference proceedings.

### **Important Dates to Remember**

- **Paper Submission Deadline:** March 15, 2024
- **Notification of Acceptance:** May 15, 2024
- **Registration Deadline:** July 15, 2024

### **Registration Perks: Early Bird Discounts and Networking Opportunities**

Register for Socinfo 2024 and take advantage of early bird discounts and exclusive networking opportunities. As a registered attendee, you will have the chance to:

- Attend all technical sessions and keynote speeches
- Participate in interactive workshops and panel discussions
- Network with industry leaders, researchers, and practitioners
- Access the conference proceedings and presentation materials
- Visit the exhibition area and explore innovative technologies

## **Join the Socinfo Community and Shape the Future**

Socinfo 2024 is more than just a conference; it's a thriving community of professionals who are passionate about advancing the field of information science and technology. By attending this prestigious event, you are not only gaining access to cutting-edge research but also becoming part of a global network of experts who are shaping the future of our interconnected digital world.

## **St Petersburg: A City of Cultural Heritage and Vibrant Energy**

St Petersburg, the cultural capital of Russia, provides a captivating backdrop for Socinfo 2024. Immerse yourself in the city's rich history, architectural wonders, and vibrant art scene. From exploring the majestic Hermitage Museum to strolling along the picturesque Neva River, St Petersburg offers a perfect blend of intellectual stimulation and cultural enrichment.

## **Experience the Socinfo Legacy**

The International Conference Socinfo has a long-standing tradition of excellence, bringing together the brightest minds in the field since 2009. Socinfo 2024 continues this legacy, offering a unique platform for scholarly

exchange, innovation, and professional development. Join us in St Petersburg for an unforgettable experience that will shape your future in information science and technology.

## Call to Action

Don't miss out on this exceptional opportunity to advance your knowledge, expand your network, and contribute to the future of Socinfo. Submit your paper, register for the conference, and be part of the Socinfo 2024 experience. Together, let's unlock the transformative power of information science and technology.
