## Overview

The 18th European Conference on Genetic Programming (EuroGP 2024) will be held in Copenhagen, Denmark, from April 10th to 12th, 2024. EuroGP is a leading international conference series dedicated to the advancement of Genetic Programming (GP), a powerful evolutionary computation technique that has gained widespread recognition for its ability to automatically generate computer programs to solve complex problems.

EuroGP 2024 will provide a unique platform for researchers, practitioners, and enthusiasts from academia, industry, and government to share their latest findings, exchange ideas, and collaborate on innovative research

projects. The conference will feature a diverse program of keynote speeches, paper presentations, workshops, and tutorials, covering a wide range of topics related to GP.

## **Conference Highlights**

- Keynote speeches by world-renowned experts in the field of GP
- Presentation of high-quality research papers on all aspects of GP
- Interactive workshops and tutorials led by leading GP researchers and practitioners
- Exhibition of cutting-edge GP-based technologies and applications
- Networking opportunities with colleagues from around the world

## **Call for Papers**

Researchers are invited to submit original and unpublished research papers on all aspects of GP, including but not limited to:

- Theoretical foundations
- Algorithmic innovations
- Applications in various domains
- Hybrid approaches
- Empirical studies
- Real-world applications

Paper submissions should be made through the EuroGP 2024 website by January 15th, 2024.

## **Important Dates**

- Paper submission deadline: January 15th, 2024
- Notification of acceptance: March 1st, 2024
- Camera-ready papers due: March 15th, 2024
- Conference dates: April 10th - 12th, 2024

## **Venue**

The 18th European Conference on Genetic Programming (EuroGP 2024) will be held at the Bella Center in Copenhagen, Denmark. The Bella Center is a world-class conference and exhibition center located in the heart of Copenhagen, with easy access to public transportation and a variety of hotels and restaurants.

## **Accommodation**

A range of accommodation options are available near the Bella Center, including hotels, apartments, and hostels. Attendees are encouraged to book their accommodation early to secure the best rates.

## **Registration**

Registration for EuroGP 2024 will open in January 2024. Early registration discounts will be available to attendees who register before February 15th, 2024.

## **Contact**

For more information about EuroGP 2024, please visit the conference website at [www.eurogp2024.org](http://www.eurogp2024.org) or contact the organizing committee at [info@eurogp2024.org](mailto:info@eurogp2024.org).
