In a small town where nothing ever happens, darkness lurks beneath the surface. When a young woman disappears without a trace, the community is thrown into chaos. As fear and suspicion spread, it soon becomes clear that no one is safe.

Detective Kim Stone is called in to investigate the disappearance, and she quickly realizes that this is no ordinary case. The victim, 17-year-old Sarah Jones, was a popular and well-liked girl. She had no known enemies, and her family is devastated by her loss.

As Kim digs deeper into the investigation, she uncovers a web of secrets and lies. Sarah's friends and family all have something to hide, and Kim soon realizes that she can't trust anyone.

With each passing day, the pressure mounts on Kim to find Sarah. The community is on edge, and the media is hounding her for answers. But the more Kim investigates, the more she realizes that the truth is elusive.

In a desperate race against time, Kim must find Sarah before it's too late. But as she gets closer to the truth, she finds herself in grave danger. The killer is determined to silence her, and Kim must use all of her skills and instincts to stay alive.
