

Sight Words Verbs Level: Sight Words Success

Sight words are the most common words in the English language. They are words that cannot be sounded out using phonics, and must be memorized by sight. Sight words make up about 50% of all the words we read and write, so they are essential for reading fluency.

Sight Words Verbs Level is the perfect book for helping your child learn to read and write sight words. With over 100 pages of engaging activities, this book will help your child master the most common sight words in the English language.
