1.2 Tort Law

Tort law plays a crucial role in addressing civil wrongs. The book covers the foundational concepts of negligence, intentional torts, and strict liability, providing a comprehensive understanding of the legal remedies available to victims.

1.3 Property Law

Property law governs the ownership, possession, and transfer of real and personal property. The book examines the various property rights, including fee simple, leasehold, and easements, and explores the legal implications of property transactions.

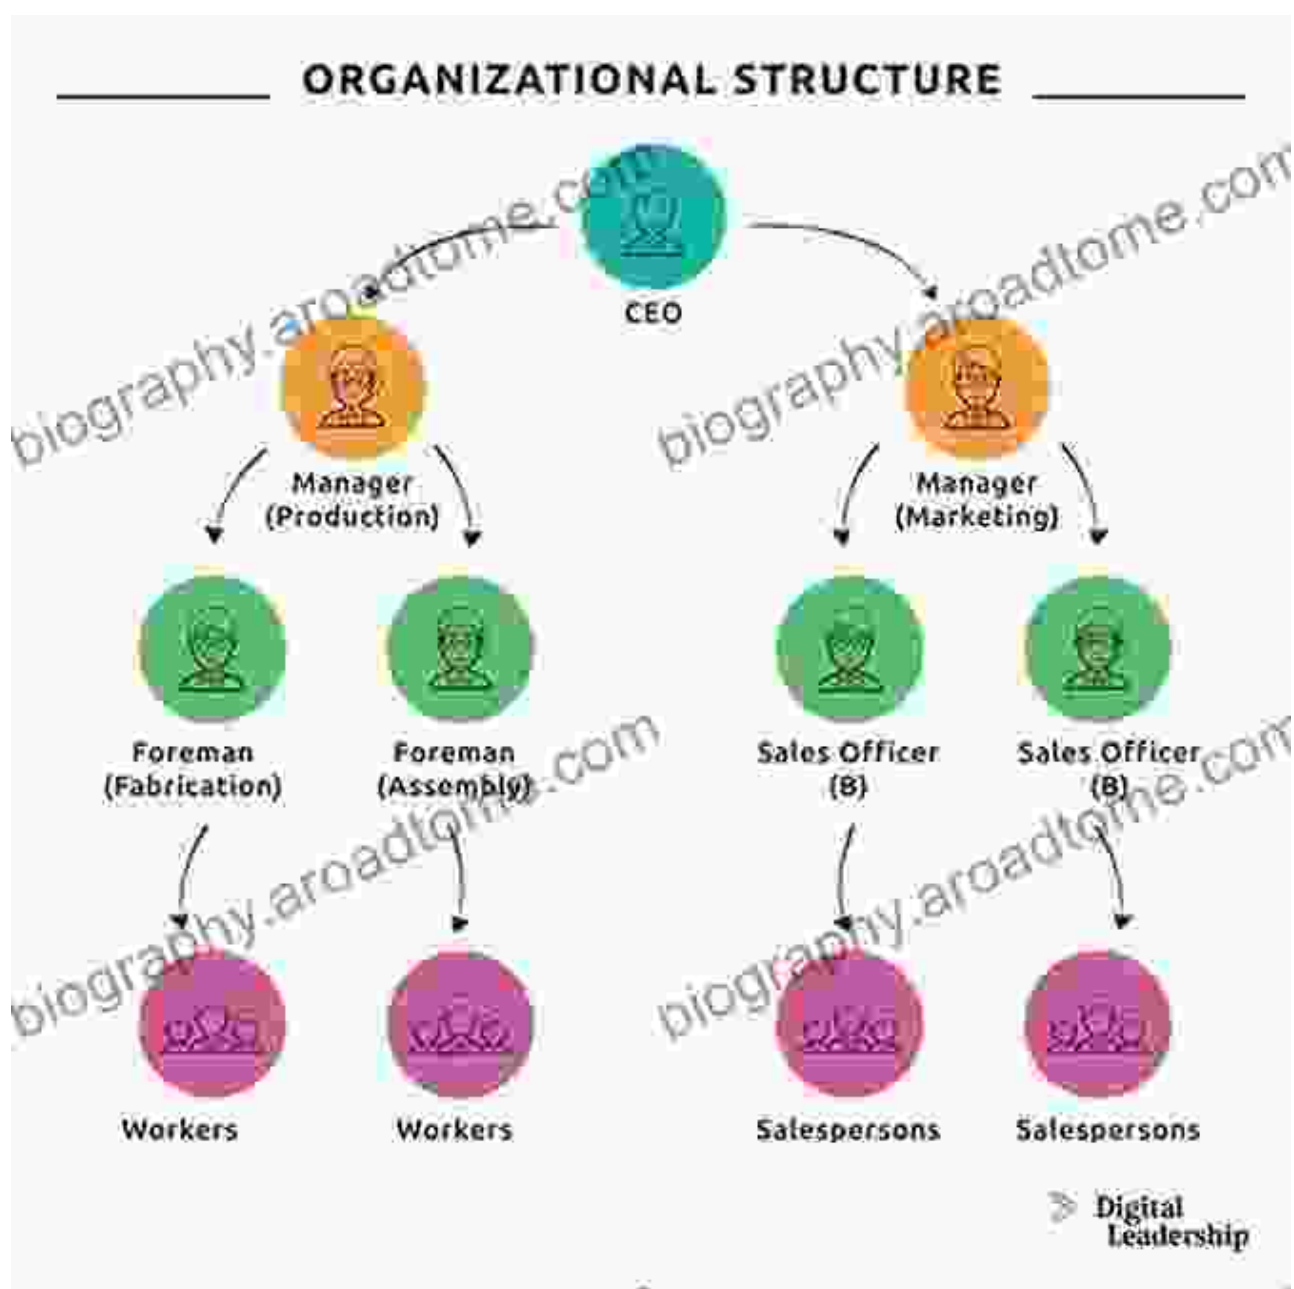

THE INTRICACY OF ESTATE LITIGATION

Part 2: Commercial Practices

2.1 Business Organizations

The book provides a thorough analysis of different business organizations, such as sole proprietorships, partnerships, and corporations. It discusses the legal implications of each structure, including liability, taxation, and governance.

2.2 Negotiable Instruments

Negotiable instruments, such as checks, bills of exchange, and promissory notes, play a vital role in commercial transactions. The book explains the legal principles governing these instruments, including their creation, negotiation, and enforcement.

Examples of Negotiable Instruments

- Checks
- Drafts
- Bills of exchange
- Some types of promissory notes
- Winning Lottery Tickets, Certificates of Deposit, Bonds, Treasury bills

2.3 Commercial Paper

Commercial paper refers to short-term, unsecured promissory notes that are issued by businesses to raise funds. The book covers the legal and practical aspects of commercial paper transactions, providing insights into the financing options available to businesses.
