

Your Huckleberry: A Memoir of Life and Loss in Alaska's Last Frontier

By Melissa Coleman

Melissa Coleman's memoir, "Your Huckleberry," is a gripping and unforgettable account of her life living off the grid in the remote Alaska wilderness. Coleman and her husband, John, left their home in California in 1977 to homestead in the remote Alaska wilderness. They built a cabin, raised a family, and lived a life of subsistence hunting and fishing.
